About Us

Located one kilometre North of East-West Highway in Ratnanagar – 13, **SKY RIDER Secondary English Boarding School** was established in 2042 BS. As envisioned by its founder Principal Late Deependra Kshetri, SKY RIDER has been a centre of academic excellence ever since its establishment. The school has been aiming at making an academic institution providing multi-disciplinarian education. After having achieved desired success in providing efficient support in the field of Science, Management and Humanities discipline through Secondary Education, we have now ventured into a different wing with life skills right from the Basic Level of Education. SKY RIDER now proudly presents education with life skills right from Basic Level Education right from grade five covering different areas like value education, agriculture, animal husbandry, technology, music, engineering, sports, creative arts, and home science. We do hope to create an academic acolyte literate in multiple disciplines and well-versed in their desired stream of education.

In the globalized context and progressive twenty-first-century development, general education has not been able to address every requirement of the scholars in society. Technical education is undoubtedly different from general education as in it the learners develop special practical knowledge and skills. It helps the learners become well-skilled in special fields like agriculture, animal rearing, engineering, and housekeeping, making them expert individuals in their vocations. We hope to produce a skilled workforce who might develop into nation-builders in the future, with the knowledge, skills, and expertise they develop in their higher education. We hope they will develop into good farmers and farm technicians in agriculture, skilled entrepreneurs in different sectors, better musicians, better technicians, better engineers, better sports persons, better artists, and better housekeepers.

The sole aim of this institution is to provide quality education to the children through which we can produce qualified, well-cultured and worthy citizens, and they become ready to face the challenges of the 21st century. This aim is reflected in the school's motto "Education through Discipline." The main tenet of our school is to nurture students into responsible citizens, develop a full personality, and bring out their talents in them for their benefit and that of society. This principle helps to nurture the development of learners' skills, perspectives, and ethics necessary in the present scenario. SKY RIDER, one of the leading and renowned educational institutions, well known throughout the district as well as in the country for its never-ending dedication and devotion to quality education, has been a superb temple of knowledge and wisdom for many years, so it always prides itself on its trustworthiness as it has successfully secured its love in the hearts of the public in Chitwan. It possesses all the necessary infrastructures. Its classrooms are cosy, airy, supportive, and comfortable reflecting an academic environment. A separate block for pre-primary, primary, basic, and secondary levels of education, and now a separate block even for education with life skills makes the school well-developed in its infrastructures.

To sum up, SKY RIDER possesses all the required human resources, infrastructures, and facilities, in all terms, essential for the cultivation of an individual's all-round development and thus it has been able to maintain its glorious educational history.

The **MISSION** of Sky Rider is to provide education in a well-managed and disciplined atmosphere to develop the personal as well as educational careers of the students using modern technologies in a short period at an affordable cost.

Our **VISION** is to establish Sky Rider as a model educational institution in the district as well as the country, which will provide practical and quality education to overcome the problems aroused in the field of learning and to face the challenge of the 21st Century in the globalized world.

OBJECTIVES

- To provide the quality education and knowledge to understand the ground realities of their surroundings and society.
- To develop required attitudes, abilities and practical skills in students to make them competent and responsible individuals.
- To build strong foundations for higher studies in their desired discipline.
- To build a strong foundation for higher studies.
- To nurture young minds to become cultured, disciplined and skilful scholars competent in facing the challenges in competitive circumstances.

MESSAGE FROM CHAIRMAN

Durga Kumar Puri
Chairman

Dear parents and students,

We are delighted that you are considering the Sky Rider School for your children's future. This institution has honed and finetuned learning academics together with life skills, that has been envied and benchmarked across Nepal for decades.

An investment made in Sky Rider School education pays many dividends throughout life. From the moment one student enters the school gates, a child realizes who he is, and where his potential lies. Irrespective of his/her background or calibre, he/she is groomed and nurtured in a way that one can stride into the adult world, confidently, responsibly and independently. Multiple generations of successful students are living proof that this unique learning system works, and works well. Yet, in today's world, no institution of repute and quality can afford to sit on its laurels. So, a decisive shift has been managed for all the students at their convenience.

Last, but not least, your choice for uplifting your child's outlook Sky Rider will be an ultimate destination where every child will be carved as per the need of time.

Message from **PRINCIPAL**

Dear parents, students and stakeholders,

I am delighted to welcome you to SKY RIDER School. I hope to convey the passion and enthusiasm that our entire team brings to you, and everything we anticipate doing here, to make SKY RIDER a wonderful place to learn and nurture young minds with skills, culture and education with technical awareness.

Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. For more than two decades Sky Rider has recognized itself not only in its physical location but also in the hearts of our students, parents, guardians and stakeholders. At Sky Rider, we provide an atmosphere to our students for versatile achievement, where the children are encouraged to initiate their efforts to reach their potential in the pursuit of excellence. This is possible only in a holistic, student-centric environment. The talents, skills, and abilities of each student need to be identified, nurtured and encouraged so that the student can reach greater heights. Students need to be provided with a platform to think, express, and exhibit their skills. It is necessary to empower them to negotiate several issues that confront them, the teacher being a facilitator so that they can work out to solve the problems of their life skills by themselves. Sky Rider is striving hard to make the best possible efforts to inculcate strong values combined with academics and extra-curricular activities in the children. Transforming every individual into a self-reliant and independent citizen, the school provides an amalgam of scholastic and co-scholastic activities.

While academic excellence is our major thrust, the school is also devoted to preparing the students for life, grooming them to face the challenges of tomorrow, and encouraging them to be socially relevant. We constantly endeavour to always live up to this ideology and inculcate this into everything we do, with the aim that we will be able to ensure that the children grow to their full potential, while constantly being groomed to pass out as men and women competent to bear responsibility in all walks of life. The parents are the most strengthening power in moulding the future of children. Their consistent support empowers us to do more and more. I pay my gratitude to them for their faith in us. I am delighted to welcome you to a different wing of education with life skills at this school. I hope to convey the passion and enthusiasm that our entire team brings to you, and everything we anticipate doing here, to make Sky Rider a wonderful place to learn and nurture young minds with skills, culture and education with technical awareness.

I am confident that the students at Sky Rider will make themselves stronger daily, adding a new leaf to the grandeur of the school.

You can't build a great building on a weak foundation. So, to achieve something great you must work from your early days. In my school, I got all the support and guidance that helped me to get better.

It is said that you can predict your future when you create it, and school is the place where you can create it. Education at Sky Rider enables an individual to lead the life that he or she values. I cherished every movement that I spent at Sky Rider. Apart from the academics, Sky Rider is the best place to build yourself as a wholesome person with precious memories of extra-curricular activities and events. The discipline, the study atmosphere, teacher's hard work, support and motivation never failed to give brilliant academic results. Sky Rider is the place where you can both choose and create your future. I am and will always be thankful to Sky Rider for making me the person I am today.

School is the second home and teachers are the second parents. I have to call myself lucky to find such ambience in Sky Rider. Back then, when resources were limited and digitalization was still in process, this institution didn't leave any stone unturned for multidimensional growth in me as student. The foundation of my education was made strong by Sky Rider so that I could pave path of my career. Although I have reached the peak of my career, I am still indebted to Sky Rider. I believe the character, aptitude and wisdom that I acquired during my schooling matters most in my life because these traits define a success rather than a fancy career.

स्काइराइडर प्राविधिक धारको आवश्यकता किन ?

स्थापनाकालदेखि नै स्काइराइडर एक उत्कृष्ट शैक्षिक गन्तव्यको रूपमा पहिचान बनाउन सकेको कुरा यहाँहरू सबैमा सर्वविदित नै छ। विद्यालयले बहुआयामिक शिक्षालाई आत्मसात् गर्दै विविध विषयहरूका आफ्ना कक्षाहरू सञ्चालन गर्दै आइरहेको छ। विश्वविद्यालयका व्यवस्थापन, मानविकी तथा विज्ञान सङ्घालाई जोड्ने सेतुको रूपमा माध्यमिक शिक्षामा व्यवस्थापन, मानविकी तथा विज्ञानको छुट्टा-छुट्टै धारमा सम्पूर्ण सफलताका साथ पठन-पाठन भइरहेको साथै जिल्ला तथा राष्ट्रव्यापी रूपमा अपेक्षित नतिजाका साथ परिचित रहेको तथ्य विद्यालयको विगत केही वर्षहरूका शैक्षिक नतिजामा पनि देख्न सकिन्छ। साथै यस विद्यालयबाट माध्यमिक शिक्षा सम्पन्न गरे पश्चात् देश देशान्तरमा इन्जिनियरिङ, चिकित्सा शास्त्र लगायतका शैक्षिक वातावरणमा सानो हिस्सा भएपनि ओगट्न सकेको व्यहोरा जग जाहेर छ। यसै क्रममा माध्यमिक शिक्षा पढेको प्राविधिक धारका लागि आवश्यक पृष्ठभूमि तयार गर्दै प्राविधिक शिक्षामा एक नयाँ दृष्टिकोणका साथ अगाडि बढ्ने निश्चयका साथ आगामी शैक्षिक सत्र देखि कक्षा पाँचदेखि प्राविधिक विषयमा अत्याधुनिक भौतिक संरचनामा रही पठन-पाठन हुने गरि कक्षा सञ्चालन हुन गइरहेको व्यहोरा सगर्व जानकारी गराउन चाहन्छौं। नयाँ कार्यक्रममा कक्षा पाँच देखि नै राष्ट्रिय पाठ्यक्रमले निर्दिष्ट गरेका विषयहरूको अतिरिक्त अन्य विविध विषयहरू - कृषि, पशु-पालन, प्रविधि, सङ्गीत, इन्जिनियरिङ, खेलकुद, सिर्जनात्मक कला, नैतिक शिक्षा तथा गृहविज्ञान जस्ता विषयहरू समावेश गरिएको छ।

विश्वव्यापीकरणको आजको युगमा औपचारिक शिक्षाले विद्यार्थीहरूको सैद्धान्तिक ज्ञानको विकास गरेको तर त्यसको व्यवहारिक पक्षमा अपेक्षित परिवर्तन हुन नसकेको महशुस गरिएको छ। जसले शिक्षाको परिभाषालाई नै अपूरो बनाएको देखिन्छ। एक्काइसौं शताब्दीको प्रतिस्पर्धात्मक युगमा विद्यार्थीहरूलाई आवश्यक पर्ने प्राविधिक, व्यवसायिक तथा जीवनोपयोगी सीपहरूबाट सुसज्जित गराउनका लागि प्राविधिक तथा जीवनोपयोगी शिक्षा अपरिहार्य भएको छ। जीवनयापनको क्रममा आवश्यक पर्ने कृषि, व्यवसाय, पशुपालन, सिर्जनात्मक कला लगायतका अन्य विभिन्न क्षेत्रमा आवश्यक पर्ने विविध सीपहरू सिकाउँदै भविष्यमा एक कुशल तथा दक्ष मानव संसाधन निर्माण गर्नका लागि प्राविधिक तथा जीवनोपयोगी शिक्षाले एक सबल भूमिका खेल्ने कुरा जग-जाहेर छ। स्काइराइडर स्कूल भविष्यमा कुशल तथा दक्ष मानव संसाधन निर्माण गर्ने उद्देश्यका साथ एउटा छुट्टै धारको अवधारणा लिएर अघि बढिरहेको छ। स्काइराइडरबाट आफ्नो शिक्षाको सुरुवात गरेका विद्यार्थीहरू दक्ष प्राविधिक तथा इन्जिनियर, दक्ष भेटेरिनेरियन तथा कृषि-पशुपालक व्यवसायी, खेतीपातीको क्षेत्रमा एक कुशल कृषक तथा कृषि-प्राविधिक, दक्ष भेटेरिनेरियन तथा कृषि तथा पशुपालन व्यवसायी, उत्कृष्ट सङ्गीतज्ञ, कुशल खेलाडी, सर्जक तथा कलाकार बनेर आ-आफ्नो पेशा तथा व्यवसायका क्षेत्रहरूमा प्रगति, उन्नतिको साथ अगाडि बढ्न सफल हुनेछन् भन्ने हाम्रो विश्वास रहेको छ।

स्काइराइडरको मूल उद्देश्य नै गुणस्तरीय तथा सर्वाङ्गीण शिक्षाको माध्यमबाट विद्यार्थीहरूलाई एक्काइसौं शताब्दीको प्रतिस्पर्धी समाजमा अग्रपङ्क्तिमा रहेर आइपर्ने हरेक चुनौतीहरूको सामना गर्न सक्ने दक्ष, सु-संस्कृत तथा योग्य नागरिक तयार गर्न हो। स्काइराइडरको मूल सिद्धान्त नै विद्यार्थीहरूलाई जिम्मेवार नागरिक बनाउँदै उनीहरूमा अन्तरनिहित प्रतिभाहरूको प्रस्फुटन गराउनु र उनीहरूको प्रतिभाको उपयोगबाट वैयक्तिक, सामाजिक तथा आर्थिक विकासका लागि योगदान पुऱ्याउनु हो। स्काइराइडर, जिल्ला, प्रदेश तथा राष्ट्रमा नै शैक्षिक उन्नतिको लागि आफ्नो लगन तथा अथक प्रयासका साथ शिक्षाको क्षेत्रमा ज्ञान, सीप तथा कलाको एक मन्दिरको रूपमा परिचित छ। विद्यार्थीहरूको शैक्षिक उन्नयनका लागि आवश्यक पर्ने सम्पूर्ण भौतिक पूर्वाधारहरू स्काइराइडरमा उपलब्ध छन्। यसका कक्षा कोठाहरू आरामदायी, वातानुकूलित, प्रविधियुक्त, शिक्षण सिकाइका लागि सहयोगी तथा शैक्षिक वातावरणको लागि उपयुक्त छन्। विद्यालयमा पहिला नै पूर्व-प्राथमिक, प्राथमिक, आधारभूत तथा माध्यमिक तहका लागि छुट्टा-छुट्टै भवन तथा परिसर रहेकोमा अहिले प्राविधिक तथा जीवनोपयोगी शिक्षाको लागि पनि आवश्यक पर्ने सम्पूर्ण प्रविधि तथा सुविधाका साथ एउटा छुट्टै भौतिक संरचनाको निर्माण गरिएको छ।

समग्रमा स्काइराइडर माध्यमिक विद्यालयमा विद्यार्थीको सर्वाङ्गीण विकासका लागि आवश्यक सबै किसिमका मानव संसाधन, भौतिक संरचना, सुविधा, प्रविधि तथा वातावरण उपलब्ध छ र यसैका कारण स्काइराइडर एक सुनौलो शैक्षिक इतिहासका साथ जिल्ला, प्रदेश तथा राष्ट्रमा नै परिचित छ।
